

11517 68 Street Edmonton AB

\$230,000

This is a very unique and character home built in 1946 in mature neighbourhoods Bellevue, very closed to downtown and Highlands Golf Course. This 756 Sqft Bungalow offers 2 bedrooms, one bathroom and single detached garage. You can use your imagination to renovate this home or built new one. Near to public transportation, Wayne Gretzky Dr., Concordia University of Edmonton. Very affordable for students and young family.
