MAGNIFICENT HOME to perfectly accommodate a large family, or for that savvy investor, endless possibilities for a multi-unit home. Major construction took place between 2008-2012, which included a new ICF foundation. Large portion of the house was newly developed as an addition, & existing portion taken down to the base w/ all new 6' construction, to 2014 code standards. A very OPEN design on the main level, you will definitely feel the grandiose construct throughout the home. All 5 rooms on upper level have been used as BEDROOMS, & the half storey has possibilities for separate suites on top. Another garage suite can be constructed if desired. FRESHLY PAINTED, this home is move-in ready, & a few more touches in the basement can open up more comforts for possible suites, or for extra family members. House is equipped w/ 220 amp service. This is a very special OPPORTUNITY for YOU to own an AMAZING home, a home which offers plenty of options for investors, or for everyone in your family to have their space! (id:6769)
