

## St Albert Alberta

\$924,900

MODERN, MASSIVE & MADE FOR LIVING--Welcome to an impressively designed home in one of St. Albert's most desirable neighbourhoods. With nearly 4,000 SQFT of finished space, this property blends bold architecture with family-ready function. Inside, you'll find architectural drama from the moment you enter--an open-to-above foyer, 10-FOOT CEILINGS, wide-plank floors, and stunning textures throughout. The kitchen is magazine-worthy: QUARTZ SURFACES, custom cabinets, walk-through pantry, and a massive island. A sleek powder room and a 100-INCH FIREPLACE set the tone for luxury. Upstairs, form meets function with built-ins, feature walls, a spa-inspired ensuite, and 9-FOOT CEILINGS throughout. Downstairs? A fully finished basement with its own kitchenette and laundry--ideal for guests or generational living. One garage bay has been converted into a flexible space--ideal for a home office, gym, studio, or guest room--and can easily be returned. Landscaped front to back. Nothing left to do but move in and show off. (id:6769)
