

Edmonton Alberta

\$365,000

This large 5 Bedroom, 2 full bath Bungalow is a must see. 3 full bedrooms on the main floor with a full bath and a large storage room. This home has had some newer renos over the years with a newer HWT and Lennox furnace, Washer & Dryer. Shingles were just done in 2018 still in great condition. Brand new windows in 2017. Has a Separate entrance and suite potential in the basement. (Could actually convert a 6th bedroom downstairs because of the size and layout.) Also has a small workshop in the corner of the basement. Nice long driveway with plenty of parking space that leads to a double detached garage. That has a nice size back yard right beside the garage that leads to an alley. (id:6769)
