\$426,250

Built by Sterling Homes, this bright duplex in SouthCreek blends modern comfort with the peaceful, open feel that draws people to Stony Plain. Triple pane windows and 9' ceilings create an airy main floor, while warm luxury vinyl plank flooring unifies the living spaces. The front foyer flows into a welcoming great room centered around an electric fireplace—perfect for cozy evenings. The kitchen is thoughtfully designed with quartz countertops, upgraded cabinetry, a corner pantry, chimney hood fan, and a large island that naturally becomes the heart of gatherings. Expansive rear windows and a patio door fill the home with natural light and overlook the future deck and backyard. Upstairs, a versatile bonus room adds flexibility, while the primary suite features a walk-in closet and private ensuite. Two additional bedrooms, a full bath, upper laundry, double attached garage with drain, side entrance, and basement rough-ins complete this well-rounded home. (id:6769)
