

## Edmonton Alberta

\$210,000

An exceptional opportunity for builders, developers, and investors--this 33' x 125' lot in the heart of Edmonton presents outstanding potential for new construction or redevelopment. Currently occupied by a 1912 1.5-storey, 994 sq. ft. home with three bedrooms and one bathroom, the property offers a valuable footprint for those looking to design and build a modern residence or an investment property. The existing structure features a bright living room, a spacious kitchen, and a partly finished basement, providing flexibility for interim use or renovation while planning your project. The lot's size, location, and accessibility make it an attractive choice for infill development. With a large fenced backyard, proximity to schools, public transit, and just minutes to downtown Edmonton, this property combines a central location with strong potential for growth and value. Seize the chance to transform this character property into a contemporary build or a high-yield investment. (id:6769)
