

Edmonton Alberta

\$230,000

Amazing subdivide possible over 50 foot wide lot on a very scenic quiet picture perfect residential street. Very close to schools, shopping, transportation yet quiet and peaceful !!! The perfect spot to build !!! It gets better though the next door adjacent property 12904 - 95A street is also for sale - same owner - with a great raised bungalow. The total site with 3 road access points side alley, back alley and front street would be approx 12,800 sq ft. Excellent size for potential multi family redevelopment!!! (id:6769)
