

Edmonton Alberta

\$315,000

Updated 5-bedroom, 2-bathroom home with central air conditioning and a separate side entrance—ideally located just steps from schools, parks, transit, and shopping. The main floor features a spacious family room with a west-facing bay window. The dining area flows seamlessly into the renovated kitchen, complete with white shaker cabinetry, quartz countertops, a stylish hex tile backsplash, under-cabinet lighting, and stainless steel appliances. Down the modern grey barnwood-style flooring, you'll find two well-sized bedrooms, a versatile nursery or office, and a 4-piece bathroom. The fully developed basement offers a large rumpus room, two generous bedrooms with multiple storage areas, a utility room with workbench, and a dedicated laundry space. Outside the front has been landscaped, the rear features a fully fenced yard, waist high garden beds, shed while the oversized rear parking pad provides ample room for multiple vehicles and recreational toys.
