

13832 28 Street Edmonton AB

\$310,000

Welcome home to this North East, 3 bedroom bungalow. Enjoy preparing meals for family and friends in the spacious kitchen while they relax in the grand living room. Cozy up in front of the fireplace on those cold winter nights with a loved one. Keep your car safe and snow free in the huge, man-cave of a, detached double garage. Love the neighbourhood with the parks, schools, shopping and entertainment within minutes of your home. Quick access to the Anthony Henday or the Yellowhead gets you anywhere in Edmonton with ease. This home is a handyman's dream. Basement has cracks in the foundation, exterior walls are accessible for inspection. Engineer's report available. Price reflective of the work needed. Plenty of potential to make this house a home!
