The RIVERVIEW by EXCEL HOMES is back! One of the most sought-after floorplans, this home is designed to impress. Step inside to a gorgeous, open-concept kitchen, upgraded with thick white quartz countertops, a chimney hood fan, and Energy Star appliances--perfect for cooking and entertaining. The walk-through pantry keeps everything organized, while the main-floor bedroom/office and full bathroom with walk-in shower make this home ideal for multigenerational living or a home-based business. Upstairs, the bonus room is ready for family movie nights, and the convenient second-floor laundry comes with a washer & dryer. The kids' rooms? Flooded with natural light from oversized windows. Additional highlights include 9-foot ceilings on the main floor, a separate side entrance to the basement, and a Green Built Canada Certification--ensuring lower utility costs, a healthier living environment, and more sustainable homeownership. Plus, backs onto green space and a walking path! (id:6769)
