

147 HARRISON Drive Edmonton AB

\$459,900

It may look like any other house, but once you walk through the property & see the size of the home/yard, plus everything it has to offer, you will be blown away. This immaculate 1400 square-foot AIR CONDITIONED bungalow has been fully renovated top to bottom. You enter into a breathtaking living room w/ vaulted ceilings. With the walls being opened to the large island kitchen you get a stunning 360 degree view. The kitchen has loads of cabinets, stainless steel appliances & a pantry. Down the hall are 3 spacious bedrooms & 2 full bathrooms, including a full ensuite & walk in closet in the master. All renovated of course. On the way downstairs is an addition to the home where you'll find the main floor laundry area. The basement has a massive rec area, 2 more bedrooms & a beautiful 4 pc bathroom. The yard is massive & features an awesome deck, concrete pad & a large SHOP!!! to top things off the home backs onto a very private setting with a dog park behind you. What more could you ask for in a home?
