

Rural Parkland County Alberta

\$2,700,000

This is likely the nicest log cabin on the market in Alberta! This home is 7000sf on 3 levels (walkout basement). The home underwent extensive renovations 2 yrs ago, owners spent just under \$800,000 to make this cabin world class. This 6 bedroom, 4 bath home comes FULLY furnished (\$100,000 value) so it is turn key ready for it's new owners. The home has exposed timber throughout which only adds character and authentic rustic living to this property. Main floor has a gorgeous custom kitchen, Stillwater color cabinets, cambria quartz, with high end appliances. If you have an aspiring chef in the family this gas stove and outdoor grill area and the 2nd kitchen in the basement will leave them breathless. The primary bedroom is located on the main floor, it has a very large ensuite and walk in closet. The living room has the most impressive stone fireplace you will find anywhere. We are located less than 40 mins to Edmonton, so this could be your primary residence or luxury cabin life. (id:6769)
