This stunning 2-storey home offers a perfect balance of comfort, design, and functionality. The main level features 9' ceilings, hardwood flooring, fire place, built-in speakers, and an open layout that connects effortlessly with a modern kitchen. Highlights include a gas stove, large granite island, stainless steel appliances, backsplash and pantry --ideal for cooking and entertaining. A den adds flexibility for a home office or quiet retreat. Large windows flood the space with natural light, paired with premium Hunter Douglas top-down bottom-up blinds. Upstairs, the primary bedroom boasts a luxurious ensuite and walk-in closet with custom shelving, along with two more bedrooms and a spacious bonus room. Step outside to a covered deck and backyard oasis with stamped concrete, plus a full BBQ station with built-in cooktop--perfect for outdoor dining and summer nights. Backing onto a walking path, this home was designed to elevate everyday living inside and out. Some photos are virtually staged. (id:6769)
