This beautifully designed home offers an open-concept layout with expansive windows that flood the space with natural light. Upgrades throughout include high-end vinyl plank flooring and a striking open riser staircase with glass and metal railing. The gourmet kitchen features granite counters, farmhouse sink, tiled backsplash and a spacious walk-in pantry. Built-in gas fireplace with storage adds warmth and charm to the main living area. Upstairs, the primary suite is a true retreat with room for king-sized furniture, walk-in closet, and 3-piece ensuite. 2 additional bedrooms, full bathroom and convenient laundry area complete the second floor. The lower level ads a family room, with potential for a 4th bedroom and bath. Entertain outdoors on your two-tiered deck and enjoy a fully fenced backyard. Additional features include heated garage with 100AMP service, A/C, mudroom with privacy door and rear parking. With premium finishes and thoughtful design, this move in ready home is perfect for modern living. (id:6769)
