\$329,900

Outstanding price for a premium location within the respected and desirable Miller Gardens condo complex. This top notch bungalow 1/2 duplex with double attached garage is clean and well presented. Open kitchen concept with a smart progressive floor plan that allows for a large master bedroom, walk-in closet and 4pce en suite. This property also accommodates a main floor laundry room. Special features of this unit are the extra long driveway and the private backyard feeling because of the implied pie shape of the rear green space area, which allows for a very private rear sun deck.
