Visit the Listing Brokerage (and/or listing REALTOR(R)) website to obtain additional information. The Whistler's front porch and foyer welcome you into this comfortable family home. The large, open concept main floor is ideal for simple mornings around the breakfast bar, lively family meals in the dining room, and relaxing nights spent in front of the optional gas fireplace. With a walk-in pantry and mudroom just off the garage, clutter always remains out of view. When it's time to get to work, the dedicated den is the ultimate space to focus. The spacious second floor, includes 2 primary bedrooms each with an ensuite! Upstairs also includes 2 additional bedrooms, another full bathroom and a loft space, giving each family member their own space. While the main floor encourages shared family moments, the second floor allows for "me time". A separate side entrance, 9' foundation and 8 solar panels added for convenience. This home is not built on the lot line. (id:6769)
