

Edmonton Alberta

$450,000

Are you done with mowing the lawn and weeding the garden? Ready to downsize? The western edge of downtown at the base of 124th St could be just the move for you. Steps to some of Edmonton's finest restaurants, cafes, shops, and art galleries, you wont' be bored for a minute in High Street Properties. This 2-bedroom unit is more spacious than your average condo, as this building was never intended to cram as many units in as possible. An ideal setup for a mature professional (you're not old, you're experienced), single or in a relationship, or even with a child, in this all-ages building. You can even have a pet if it's not too big. The underground parking even has a storage cage for seasonal items and those antiques you inherited that you don't have room for and aren't yet ready to part with. Beautiful new hardwood, bright kitchen, huge closets. Let's step out onto the balcony, not too high up, so if you don't like heights, this one won't bother you. If you'll excuse me, I'm off to get some pastries. (id:6769)
