

# Edmonton Alberta

\$4,380,000

This is a golden opportunity to own a 27-room motel in the Westend Edmonton together with a 3.92-Acre of land, with an approved storage yard in the back which can augment the income revenue stream, on top of revenue generated from the motel business. The potential for this site is immense as this parcel of land is well connected to Winterburn Road, 103 Ave, Stony Plain Road, and Anthony Henday. It is about 5 minutes drive from the West Edmonton Mall. (id:6769)
