

## Edmonton Alberta

\$489,900

So much to appreciate in this adult community bungalow that backs green space and has been lovingly cared for & maintained by the originals owners. The main living area is open concept, elevated by the vaulted ceilings and ample windows creating a bright and airy feel. The kitchen offers a corner pantry, island with raised eating bar and newer stove. There is a cozy gas fireplace and access to the large back patio. The primary bedroom features a full ensuite complete with jetted tub. A flex room at the front of the home could be used as a den, bedroom etc. as it has a closet & door & also features a vaulted ceiling. Another full bathroom and main floor laundry complete this level. The basement is mostly finished & offers a family room, bedroom, another full bathroom & large storage area. Furnace & sump pump both replaced in 2020, the hot water tank gets regular servicing. A double attached garage & CENTRAL A/C complete this home. Close to services, amenities, transit & just steps to walking trail access! (id:6769)
