

Rural Westlock County Alberta

\$395,000

Calling all pilots! Where else can you find a 3140 square ft home built in 2017 for this kind of money? It's an amazing two-storey bldg at the Westlock airport. On top level you'll find a beautiful three bedroom 1570 sq.ft. apartment w/huge windows & wrap-around balcony on 2 sides w/views. Stunning, soaring ceilings w/metal decorative designs on ceilings. Huge kitchen w/soft-close modern cabinets, massive wood island & walk-in pantry. Dining area has massive wood table w/bench seating. Comfortable living/tv area. Three roomy bedrooms & large bathroom w/shower. The bldg is currently rented (details available). The main floor is offices & a huge front foyer w/windows all around. His & hers washrooms each have 2 sinks & 2 stalls. Utility room for furnace, hot water tank, etc. This floor could easily become additional living space. A/C unit & outside shed attached to bldg. Large lot. Add a carport for your private plane (or maybe the main floor can be reconfigured to taxi in) & taxi to the runway from home. (id:6769)
