Lake Life, All Year Long--On a Rare Double Lot. Welcome to your Ross Haven retreat. Nestled on a beautifully treed double lot with lake views and access to a shared community dock, this property is your gateway to boating, swimming, & memory making across all four seasons. Built for comfort and character, the 3-bedroom bungalow features a European-inspired layout, baseboard heat and freestanding woodstove, and is fully insulated for cozy winter nights & cool summer mornings. A detached double garage provides ample space for lake toys, tools, or a future Bunkie conversion. Surrounded by mature evergreens offering shade & privacy, there's plenty of room to invite guests or park RVs for weekend getaways. Whether you're roasting marshmallows under the stars, launching a kayak from the dock, or simply enjoying morning coffee with birdsong--this is a place to gather, unwind, and build a legacy. Lake life is calling. This time, answer with confidence and comfort. Bring the Family, Build the Legacy. (id:6769)
