\$929,500

Built by Kanvi Homes and impeccably maintained, this exquisite 2-storey residence offers over 3,000 sq. ft. of finished living space, featuring 4 spacious bedrooms and 4 well-appointed bathrooms. The open-concept main floor is bathed in natural light thanks to expansive panoramic windows, and showcases a chef-inspired kitchen with quartz countertops, a large island, sleek modern cabinetry, and stainless steel appliances. The living room is highlighted by a stunning 100 linear electric fireplace and opens seamlessly to a sun-filled, south-facing backyard—designed for low maintenance with high-end turf, a composite deck, and a 6-person hot tub for year-round relaxation. Upstairs, you'll find a generous bonus room with a second fireplace, a luxurious primary suite complete with a spa-like 5-piece ensuite, walk-through closet, and direct access to the laundry room.

Additional highlights include central A/C and an oversized garage spacious enough for a pickup truck. This home presents like a show home!! (id:6769)
