This well maintained unit is nestled in the centre of the complex and backs onto an open green space. The primary and secondary bedroom are a good size with large double closets, and the main bathroom has been upgraded with a large walk in shower. Newer paint, flooring and kitchen countertop make the unit welcoming and awaiting your personal touches. The basement is partially finished with a large recreation room, a 4 piece bath and plenty of storage. The single attached garage keeps your vehicle ready, even on the cold winter days. Horizon Village is close to shopping, transportation, the library, banks and medical offices. The recreation centre is a gathering place for many village-based activities as well as a place to rent for your larger family gatherings. (id:6769)
