Where Style Meets Comfort--For You & Your Fur Babies You work hard, play harder, and appreciate the finer things. Whether you're lacing up your Oxford shoes for a big meeting or slipping into red-bottom heels for a night out, home should be your sanctuary. This 2-bedroom + den corner condo is the perfect backdrop to your lifestyle. The renovated kitchen is as polished as your wardrobe, and a pantry for those weekend brunches at home. When it's time to unwind your wrap-around covered deck offers the ideal retreat--whether you're sipping an espresso or watching your fur baby enjoy their version of 'golden hour.' Speaking of your 4-legged kids, this pet-friendly space ensures they're just as pampered as you are, nearby trails make daily strolls effortless. The primary ensuite feels like a luxury hotel experience, complete with a double shower and his & hers sinks. At the end of the day, whether you're stepping off a red carpet or coming home from a power move, this is where style, luxury, and love truly live. (id:6769)
