

Edmonton Alberta

\$649,900

In the finished part of the Uplands- no construction! 2 parks & ponds in a kid-friendly community with walking trails connecting all the way to downtown! This 2000+ sqft home has A/C, includes 22 solar panels (8.91 kw system that offsets most of your electricity bill!), vinyl plank through the main, a great kitchen with quartz counters, pot & pan drawers, upgraded stainless steel appliances (gas stove!), stylish feature wall in the dining, stone faced gas fireplace in the living room, walk-through pantry from the garage entry with custom shelving & bench. Upstairs are 3 bedrooms, each with a walk-in closet, pocket den with barn door, bonus room, and upstairs laundry! The primary has an en-suite with dual sink vanity, soaker tub, glass shower, separate toilet; connected to your huge walk-in closet! Basement has 9' ceilings & rough-in for bathroom. The double attached garage is heated, with a utility sink! On a huge 493 m2 fenced, landscaped corner lot with 1 neighbor! Minutes from shopping & groceries! (id:6769)
