

## Sherwood Park Alberta

\$699,000

Welcome to this fully renovated home that is situated on a culdesac and backs a green-space/walking trail that takes you straight to the school only a km away! It has the best of all worlds: recently renovated so you have new and upgraded finishings and features, but with the charm and privacy of a huge lot and a sprawling main floor. The main floor features vaulted ceilings, real hardwood throughout, an office, both living AND family rooms, and a charming wood burning fireplace. The stunning kitchen boasts a 10 ft island, quartz countertops, gas range, and custom cabinetry. Upstairs you will find 3 bedrooms and another 2 in the basement. Outside, the resort-like backyard features a two-tiered deck with pergola, 2 patios, gazebo, gas fire pit, water feature, hot tub, vegetable garden, perennial gardens, and two sheds. Rest at ease knowing that major projects have been done: newer roof and furnace, new landscaping, and new highest rated energy star windows upstairs. This is a one of a kind house! (id:6769)
