Adult 55+ condo ready to move in! Very well maintained building, quiet, secure and has lots of amenities. Comes with an underground parking stall and extra storage. This unit shows very well, with newer paint, flooring and countertops. The living room and large deck face south over the courtyard and park area. Shopping and LRT are pretty much just out the front door, as well as is within walking distance of the Hospital. Lots to do here, there's a theatre room, billiards, work out room, activity room and even a carwash! This building also has a heated vestibule to the Allen Gray building next door that has a cafeteria and dining room, and Friday nights has a Pub night! There's plenty of visitor parking out front.
