Finally! A 2-bedroom, 2-bathroom condo that's clean, modern, and stylish--basically, it's everything your brother-in-law's isn't. This 3rd floor unit in the heart of Schonsee brings the style and the function you've been looking for. Think bright open-concept living, white-on-white finishes, granite countertops, shiny stainless steel appliances, and yes--a proper kitchen island big enough to convince your friends you can actually cook. The primary bedroom has its own walk-through closet and private ensuite--because sharing is overrated. Fire up the natural gas BBQ on your covered balcony, toss in a load with the in-suite front-load washer-dryer, and call it a productive day. You've also got 1 titled underground parking, a large private storage cage, and access to a gym, social room, elevators, and plenty of visitor parking. Close to the Henday, transit, shopping, and just minutes to CFB Edmonton. This place doesn't just check boxes--it flexes. (id:6769)
