

## Sherwood Park Alberta

\$409,900

Enjoy the beautiful view in this gorgeous, air conditioned condo with huge windows and soaring ceilings. Completely renovated from top to bottom including a bright and convenient kitchen with quartz countertops, brand new appliances and modern finishes. New flooring, fireplace, and custom made, solar powered, remote controlled, blackout blinds are just a few of the high-end upgrades. Upstairs is the loft/study area overlooking the living room, green-space and eastern horizon beyond. The huge master suite upstairs includes a 5 piece ensuite with large soaker tub. A secondary entrance off the study area gives top floor access to the elevator. Add to that, two titled parking and storage stalls, as well as a car wash and visitor parking. This is an amazing place to live. The view from both bedrooms and all the main living space is of treetops that shade the walking trails winding through your back yard to make you feel like you're living in the wilderness. Essential daily shopping however, just out front. (id:6769)
