Welcome to the Career Flow 24 by award-winning Cantiro Homes, a beautifully designed 3-bedroom, 2.5-bathroom home with a striking Nordic Scandinavian exterior, located on a walk-out lot backing onto a tranquil pond with no rear neighbors as well as a 13' x 12' rear deck. Built on a regular lot with additional windows for natural light, this home features a glass railing, and an open-concept layout perfect for everyday living. The spacious family entrance offers smart storage, while the upstairs includes a central bonus room, large secondary bedrooms, and a luxurious primary suite with a freestanding tub, tiled shower, dual vanities, and separate water closet. Finished in Cantiro's Midsummer interior color package, you'll find creamy white cabinetry, warm wood-tone flooring, and gold accents throughout. The walk-out basement with 9' ceilings is undeveloped and ready for your personal touch. (*photos are for representation only. Colours and finishing may vary*) (id:6769)
