$467,900

Beautiful 1,550 sq ft two-storey home with functional layout and thoughtful features throughout. The main floor offers a living room with gas fireplace, spacious kitchen and dining area, 2-piece bath at the back entrance, and a walk-in closet at the front entry. Upstairs features new carpet, two bedrooms, a small bonus room that could be converted into a third bedroom, and a full bathroom with tub/shower combo, toilet, sink, and shelving. The primary suite includes a walk-in closet with organizer, ensuite with dual sinks, stand-up glass shower, and jetted tub. Basement is unfinished but insulated, with laundry and shelving for storage. Other features include central A/C (installed 3 years ago), deck with built-in BBQ area, plumbed gas line for BBQ and heater, and sunken gas fire table with seating. Detached garage with gas line and back alley access. Landscaped front and back yards with front patio. (id:6769)
