

10160 119 Street 35 Edmonton AB

\$289,900

This penthouse style high end condo has a unique and attractive floorplan with a spacious entry and large storage/laundry room that then opens onto the newly renovated unit. The dining area is spacious & contemporary with flat white ceilings, updated fixtures, luxury vinyl plank flooring and more. The living room has patio doors to a spacious south balcony and has soaring vaulted ceilings with wood burning fireplace that has been upgraded with a live edge mantel and newly upgraded wood detail. This room is stunning and separates the two spacious bedrooms that each have their own ensuite bathroom with fantastic tile detail and niche storage in bathtub plus quartz countertops. The primary bedroom has a large walk through closet, nicely appointed and upgraded ensuite bathroom with double sinks, and second set of patio doors to the deck. The kitchen has also been luxuriously upgraded with butcher blocks counters, soft close cabinets, tile backsplash, featuring a beautiful skylight & LG thin Q smart appliances.
