This beautifully maintained home blends charm and modern updates. Crown moulding and chair rail detailing complement the gorgeous hardwood flooring in the spacious living room. A sleek glass railing leads down the feature staircase, adding a touch of elegance. The kitchen offers timeless white cabinetry, granite countertops, and plenty of prep space. Updated bathrooms provide modern comfort. The fully finished basement extends your living space with a large recreation room, den, and ample storage. Key updates—including windows, shingles, furnace, and A/C—were completed in 2010. Step outside to a beautifully kept yard with a deck and pergola, perfect for relaxing. An oversized single attached garage completes the package. Conveniently located near schools, parks, shopping, and public transit. (id:6769)
