

426 Lakewood Way Cold Lake AB

\$559,900

Hiscock Homes has another beauty in the works! TRIPLE HEATED ATTACHED GARAGE & fully developed 1560 sqt+ home in the sought after Lakewood subdivision. 5 bedrooms, 3 bathrooms with the primary suite boasting in-floor heat, his and hers sink and a tiled shower. Included in the list price is a fully developed heated basement with 2 more bedrooms, bright family room and 4 piece bathroom. Open concept living/dining area with vaulted ceilings, a kitchen with custom cabinets, stone countertops and stainless appliances included. You would have the option to pick your own colours and add your own personalized touches. The builder will also be laying top soil, sod front + back along with a pressure treated wood fence! Vinyl exterior with front rock face decor. Nothing left to do but move in and enjoy the smell of a NEW built home. Photos are an example only. UNDER CONSTRUCTION
