

Smoky Lake Town Alberta

\$59,900

Super cozy and affordable home in the heart of Smoky Lake. This property will amaze you by its tidyness, the size of its yard with large garage and paved driveway as well as by the warmth and functionality of the home. An inviting and new side porch invites you to the small but handy kitchen and its bright window overlooking the landscaped backyard, the dining room is also extremely sunny with its picture window and opens up to the living room and 1 bedroom plus den, the main floor also sports a large full bath with laundry, brand new dryer included. The basement is great for storage and boasts a half bath, a newer high efficiency furnace, and a newer electrical panel. The yard is huge and even features a lean-to which is attached to the garage and elevated garden area. Have I mentioned that the home also boasts a recently done roof? This is a definite must-see!
