

Calmar Alberta

\$439,900

You know what they say about judging a book by its cover ... this is exactly why. Step inside this Calmar three-level split and you'll find a completely transformed interior. The gorgeous open kitchen features an enormous quartz island, full-height cabinetry, stainless steel appliances, beautiful tilework and tons of storage. The main floor is bright and spacious, with three bedrooms upstairs and beautifully renovated bathrooms. Flooring, plumbing, windows and finishes have all been updated, along with the roof, soffits and fascia, plus central A/C. Outside, the backyard is HUGE and fully enclosed with new vinyl fencing, with incredible space for kids, dogs, gardens and more. Attached double garage + room for a second in back. There are still some exterior projects for the next owner to tackle, but so much of the expensive work has already been done. All of this in quiet Calmar, surrounded by Alberta countryside and an easy commute to Leduc and Edmonton. (id:6769)
