Edmonton Alberta

$599,900

This stunning fully finished home, built in 2019, offers modern design and comfort in a prime location.The chef's kitchen features quartz countertops, stainless steel appliances, gas stove, and a large pantry. The open-concept living room with an electric fireplace is ideal for entertaining. Upstairs, the luxurious primary bedroom includes a walk-in closet and ensuite, along with two additional bedrooms, 4 piece bathroom and a multipurpose bonus room. Completing this level is a laundry room for convenience. The fully developed basement features a spacious rec space and a versatile den.The private backyard deck with a gas line offers a relaxing space with low-maintenance landscaping. This home has air conditioning as well for those warm summer days! The attached double car garage provides ample storage. Situated in a family-friendly neighbourhood, walking distance to both the K-9 school and high school, close to amenities and the airport. This home is perfect for those seeking both luxury and convenience! (id:6769)
