

## Rural Leduc County Alberta

\$340,000

Build your dream home on this 8.48 acre yard site. Existing buildings include small cabin, garage, sheds, granary, and livestock shelters. There is power on the yard site, a propane tank and 3 drilled wells. The property does not have a septic system. A great location to set up a horse operation. Your imagination can only dream the establishment of a beautiful acreage! (id:6769)
