

Holden Alberta

\$60,000

Over 2000 sq feet of street level storefront / warehouse space on main street in Holden. Great space with various discretionary uses and unlimited business potential. Was last used as a flooring warehouse. Includes table saw with large table platform ideal for manufacturing and 60 gallon air compressor with numerous air drops installed. 3 phase power opens many commercial opportunities. Low maintenance metal clad exterior. Durable hardwood flooring throughout. Original bathroom was dismantled but rough-ins remain. Forced air heating. 40 feet of hardwood counter top workspace. Upper and lower cabinets with drawers stay. (id:6769)
