

## Egremont Alberta

\$34,900

Tired of the hussle and bussle of the City? If so, have a look at this property. Building is a knock down and lot is being sold as/is - where/is. The huge lot with services would make a great start to a new home. Egremont is a small family oriented community and is the kind of place where you get to know all of your neighbors. Located a short 40 minute drive from Edmonton. Have a look at this great property, you will be glad you did. (id:6769)
