

Leduc Alberta

\$549,900

This 2023-built home blends style, comfort & functionality in all the right ways. The main floor features wide vinyl plank flooring & a beautifully designed kitchen with quartz countertops, two-tone cabinetry, double herringbone tile backsplash, SS appliances, corner pantry & a large centre island. The living room offers a fireplace with mantel, while large windows & patio doors off the dining area lead to a private, low-maintenance backyard with deck, hot tub, turf, meditation area & shed. Upstairs, the serene primary suite includes an accent wall, W/I closet & spa-like en-suite with soaking tub & separate shower. 2 additional bedrooms share a full bath, & laundry is conveniently located on the upper level. Downstairs, the FF basement extends the living space with a large rec room as well as a 4th bedroom, full bath, & plenty of storage. Don't miss the dbl attached garage (with Tesla wall charger) & solar panels that add energy efficiency & long term savings. (id:6769)
