Welcome to Westpointe in Windermere, where this stunning Contemporary Custom Mansion offers over +/-5,700 square feet of luxurious living. Inside, you'll find 6 spacious bedrooms, including dual master suites with walk-in closets and exquisite 5-piece ensuites featuring custom 8-foot showers. One master suite also includes a private balcony with serene pond views and a feature fireplace wall. This home boasts 6 beautifully designed bathrooms, including one in the fully finished basement, complete with a jacuzzi and steam shower. High-end finishes are everywhere: Kentwood hardwood floors, Reibel gold plumbing fixtures, Versace tiles, 8-foot walnut veneer custom doors, and Dekton countertops throughout. Other notable features include screwless metallic grey switches, a powerful 5-ton A/C unit, and heated flooring across the main floor, basement, and triple garage. Maple 8-foot posts with glass rails add a sophisticated touch. Outside, a heated driveway ensures comfort and convenience. (id:6769)
