\$580,000

The kind of VIEW people wait years for -- miles of open landscape and sunsets you'll never forget! Sitting on 9.79 acres, this WALK-OUT bungalow delivers privacy, space, and a solid foundation for your next chapter. The main level includes a perimeter kitchen with built-in cabinetry, a large living room anchored by a cozy wood stove, and 4 bedrooms and 3 total bathrooms (with room to finish a 4th). A full exterior WRAP-AROUND deck -- accessible from all sides -- pulls the outdoors into daily living, while the unfinished basement adds flexibility for future plans. Outside, a single-detached garage and a charming 20'x30' traditional barn with its classic faded-blue finish set the scene; it feels like something straight out of a movie. With an ICF foundation and metal roof already in place, if you've been waiting for a property with view that's truly remarkable -- this is it! (id:6769)
