This 2650 SQFT home, built on 7650+ SQFT pie-shaped lot, in a cul-de-sac has lot to offer. The main floor boasts a formal living area with rich hardwood flooring, a bedroom, and a full 3-piece bath, as well as a mudroom for added convenience. Culinary enthusiasts will appreciate both the main kitchen and the separate spice kitchen, while the spacious dining area flows seamlessly into the stunning, open-to-above family room, filling the space with natural light and creating an inviting atmosphere. Upstairs, you'll find a versatile bonus room overlooking the backyard, ideal for a home office or entertainment space. The second floor also features 3 well-sized bedrooms, 2 bathrooms, and a private master suite complete with a luxurious 5-piece ensuite and a walk-in closet. The home includes a side entrance to the basement, a heated triple garage for year-round comfort, and a beautifully landscaped backyard with a concrete patio and sidewalk—perfect for outdoor living & entertaining.
