\$189,900

Get ready to be impressed! This top-floor 2-bedroom, 2-bath unit is available for immediate possession and offers a rare bonus -- one indoor parking stall and one outdoor stall, unlike most others in the complex. Enjoy stunning sunset views from your private deck, thanks to the open layout and abundance of natural light. Featuring newer flooring with no carpet, refreshed fixtures, and appliances (some brand new), this home stands out as one of the nicest in the entire building. All of this comes at an exceptional price -- making your decision an easy one. (id:6769)
