\$199,900

This 3.18 acre parcel is located at Horne Beach at Lake Isle. You are conveniently located to the public beach access. You can swim, fish and launch your boat just steps from the lot. The land is mostly cleared but the north & part of the west boundary has beautiful mature trees. This creates a great backdrop for a future home or a RV site with lake views to the east. It is partially fenced with power and gas to the property line. Close by is a very popular trail system for ATV's and snowmobiles. The property comes with a newly built log style outhouse. (id:6769)
