

Rural Lac Ste Anne County Alberta

\$550,000

Set on 5.02 beautifully treed acres with trails running throughout, this original-owner home was designed as a two-bedroom home, built around a primary suite that spans the entire upper level -- a large combined living and sleeping area, 3pc bath with Jacuzzi tub, and private access to the covered full-width deck. The main floor offers an open-concept living room, a U-shaped kitchen with stainless appliances, QUARTZ countertops, and a separate dinette, a 4pc bath, a 2nd bedroom, main-floor laundry, and back-hall mudroom. Another full-width covered front porch and metal roof carry the same clean lines outside, while the HEATED double detached garage, multiple outbuildings, and a c-can give this treed acreage the storage and workspace needed to match its private setting.
