

## Rural Sturgeon County Alberta

\$499,000

A rare opportunity to own 160 acres of picturesque land just minutes from the town of Redwater. This stunning property offers the perfect setting to build your dream home, with the serene Redwater River meandering through the landscape. An old yard site remains, providing a starting point, or choose your ideal location to create your private piece of paradise. Whether you're looking for a peaceful retreat, hobby farm potential, or investment in land, this property offers endless possibilities in a beautiful natural setting. (id:6769)
