

## Rural Westlock County Alberta

\$189,000

Looking for a gorgeous out in the quiet country mature treed acreage, this could be the one! The 900 sq ft 2 bedroom home has been empty for some time and needs some flooring and paint. The basement is not in good shape but we would like to show it and see if some would like to repair it or what other options are out there. There is also an older building 28 by 40 that has been a shop! (id:6769)
