Absolutely stunning 2996 sq ft custom-built home with a legal basement suite and breathtaking lake views. Built in 2017 by the original owner, this 7-bedroom masterpiece combines modern style with elegant touches. Step inside and immediately notice the unique waterfall feature in the sitting room, an eye-catching focal point that sets the tone for the rest of the home. You'll also find marble flooring, soaring coffered ceilings, LED lighting, and a glass-railed staircase accented by decorative niches. The chef's kitchen is a showstopper with white cabinets, granite countertops, stainless appliances, and a butler's pantry complete with a second cooking area. Upstairs offers 4 spacious bedrooms and a view overlooking the grand main level. The legal suite includes 3 bedrooms, 2 private entries, an interior door, and a separate furnace. With dual furnaces, intercoms, drop ceilings on both levels, and upscale finishes throughout, this home feels like something straight out of a design magazine. (id:6769)
